Product Name:

Meter ph and ion selective electrode ec20 ptbl w/mdl50200 comb

Special Features:

Ec20 portable; with model 50200 combination ph electrode; recognizes 4.0, 7.0 and 10.0 buffers; allows up to three-point ph calibrations and up to five-point ise calibrations; dim: 8 in by 3.3 in. By 2 in.; ph range 2.000 to 19.999; concentration range: 0.000 to 19900; temperature range: 23 degrees to 221 degrees f; 9 volt alkaline battery is included; custom lcd display

Unit Of Issue Cube:

0.03 cubic feet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
