Overall Length:

4.500 inches

Design Designation:

Laboratory

Tip Type:

Pointed

Unit Type:

Tweezer

Features Provided:

Reusable

Serrated Pattern Design:

Transversely

Product Name:

Forceps biopsy uterine lab crs tweezer 4.5in med point reusable

Special Features:

Medium point, curved tip

Material And Location:

Stainless steel

Shape:

Curved down

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51710
