Overall Length:

4.500 inches

Design Designation:

Laboratory

Tip Type:

Fine point

Unit Type:

Tweezer

Serrated Pattern Design:

Transversely

Product Name:

Forceps pinning entomological specimen lab crs tweezer straight

Material And Location:

Stainless steel

Shape:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51710
