Overall Length:

28.300 inches

Overall Width:

49.000 inches

Product Name:

Cabinet biological safety crs 28.3x49x99.7 in 115v ac

Special Features:

Overseas use on 100 v, 50 hz order model 1288, conus use on 115 v, 60 hz, order model 1284, 4 in. Sliding bench window, 3/4 hp, requires 8.0 in. Diameter duct connection, equipped with 2 duplex electrical outlets with splash proof covers, 2 service valves, 4 plugged penetrations with front mounted circuit breaker

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T397-c
