Primary Container Type:

Rack

Primary Container Unit Quantity:

25

Product Name:

Plastic 50 ml centrifuge tube

Special Features:

Flat cap style; rcf 9400; black printed graduations and large white marking spots; certified non-pyrogenic

Material:

Plastic, polypropylene

Material:

Plastic polypropylene

Supplementary Features:

Used with nsn 6665-01-500-4040 (bids m31e2)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
