Features Provided:

Capillary action

Product Name:

Capillary array

Special Features:

36 cm; usage per array 150 runs; capillary dimensions 47 cm by 50 cm inside diameter; operating temperature is between positive 15 and 35 degc; humidity between 20 and 80 percent

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24200
