Overall Height:
13.500 inches
Overall Width:
30.000 inches
Depth:
24.500 inches
Product Name:
Centrifuge tabletop gen. Purpose blood bank allegra x/15r
Special Features:
Tabletop; general purpose blood bank refrigerated centrifuge; to process/manufacture blood products; faster separations in 4 by 750ml
rotor
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T149-c
