Capacity Rating:

Between 35.000 milliliters and 250.000 milliliters

Product Name:

Angled neck cell culture flask with vent cap

Special Features:

Neck style angled; growth surface area in cm2 175.0

Material:

Plastic, polystyrene

Material:

Plastic polystyrene

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
