Test Tube Heater - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6640-01-556-9200

#### **Overall Height:**

3.600 inches

#### **Overall Width:**

8.700 inches

# **Special Features:**

Single block; digital; utilizes a pid microprocessor; built-in temperature sensing probe; 240vac; 0.42 amps; 50/60 hz; 100 watts

# Material:

Steel

Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No
