Storage Temperature Range:

+0.0/+7.0 degrees celsius

End Application:

6630-01-574-0337 reader, digital, test strip, rapid assay

Approximate Shelf Life:

6.0 months

Product Name:

Rosa sdsms test 20s

Special Features:

RAPI-DO-NES-TEPA

Functional Description:

Detects sulfamethazine/sulfadimethoxine residues in milk

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
