Overall Height:

20.0 millimeters

Overall Outside Diameter:

80.5 millimeters

Features Provided:

Clear

Primary Container Type:

Package

Primary Container Unit Quantity:

20

Special Features:

100 mm capacity; tc-treated; petri dish style; disposable; gamma radiation sterilization; stacking beads to aid handling; includes vents for consistent gas exchange

Material:

Plastic, polystyrene

Material:

Plastic polystyrene

Style Designator:

Bottom section, round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24200
