Overall Length:

22.500 inches

Overall Height:

14.000 inches

Overall Width:

18.000 inches

Voltage In Volts And Current Type:

240.0 ac

General Description:

Vibromet 2 vibratory polisher; variable amplitude vibratory drive system; heavy duty, touchpad controls; 220/240 vac, 50 hz, 1 phase; led amplitude indicator; 12 in diameter polishing bowl; removeable cover; prepares super alloys, soft metals etc to 5/10 microns; w/polishing cloths, suspensions and operating instructions

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
