Width:

460.0 millimeters

Length:

570.0 millimeters

Usage Form:

Sheet

Specific Use:

Cleaning optical lenses

Special Features:

Chemically pure and free from silicones and other additives; high absorbency; 0.035-0.040 mm thickness; grade 105; leaes no fibers; 500 per pack

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09200
