Overall Height:

102.82 millimeters

Overall Outside Diameter:

44.70 millimeters

Capacity Rating:

50.0 milliliters

Features Provided:

Canted neck and clear and phenolic cap

Primary Container Type:

Bag

Primary Container Unit Quantity:

20

Graduation Marking Method:

Molded

Closure Type Accommodated And Size Designation:

Outer dimension 23.36mm screw cap mouth

Product Name:

Cell culture flask, 25 cubic centimeters canted neck, vented cap

Color:

Colorless

Material:

Plastic polystyrene

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
