End Application:

6630-01-547-9986 analyzer, clinical chemistry

Capacity Rating:

3.0 milliliters

Color Coding:

Green

Product Name:

Tube blood sample collection 100s

Special Features:

Lithium heparin collection tube; capacity: 3 ml; green top; box of 100; for use with piccolo express chemistry analyzer

Material:

Plastic

Reference Number Differentiating Characteristics:

Manufacturer sells by case of 1000; distributor sells by box of 100

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
