Overall Length:

12.401 inches

Overall Diameter:

Between 1.187 inches and 1.189 inches

Mounting Configuration:

Grooves on ends of shaft to accommodate spring clips

Flange Removability:

Nonremovable

Material:

Rubber and steel

Material:

Rubber and steel

Surface Treatment:

Natural

Fsc Application Data:

Sonar-data gathering set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T206-b
