Overall Height:

5.000 inches

Overall Width:

3.000 inches

Current Type:

Ac

End Application:

20 kw engine generator, contract number fa77ac7475

Timer Type:

Electrical

Control Type:

Switch

Voltage In Volts:

245.0

Special Features:

Battery charger timer; 10 hr time cycle; 2 delay switches with 8 pct switch differential; front mtd terminal block; reset on power interruption; shortest setting 1 hr, 18 dial graduations; 4.062 in. O/a lg; 4 mtg holes for no.6 screw

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T270-d
