Overall Height:

3.760 inches

Overall Width:

3.750 inches

Current Type:

Ac

Case Material:

Plastic

Timer Type:

Electrical

Automatic Electric Circuit Control Switch:

Not included

Interval Expiration Signalling Device:

Included

Independently Operated Clock:

Not included

Special Features:

Accepts multiple voltage: 24-240 v ac; repeat cycle timer; pilot lights provide cycle progress

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T270-d
