Overall Height:

2.0 inches

Current Type:

Dc

Switch Type:

Off

End Application:

Nsn 3895-01-577-2425 paving machine bituminous material

Operation Method:

Dc motor

Timer Type:

Electrical

Reset Type:

Electric

Control Type:

Switch

Automatic Electric Circuit Control Switch:

Included

Control Switch Voltage In Volts:

24.0

Current Rating:

10.000 amperes

Time Indicator Total Capacity:

05 sec

Product Name:

Solid state timing module

Voltage In Volts:

24.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T270-d
