Lamp Base Type Accommodated:

Medium screw

Light Adjustment Method:

U bolt bracket

Voltage Rating In Volts:

115.0 ac

Mounting Method:

Bracket

Lamp Type Accommodated And Quantity:

1 incandescent

Material:

Plastic phenol-formaldehyde body

Terminal Type And Quantity:

1 connector, plug, external, standard tandem blade

Reference Number Differentiating Characteristics:

Differentiating characteristics as /1/ condenser lens, reflector, filter holder, /2/ 115 volt 15 watt bulb

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A06300
