End Application:

Night vision sight sc-d-614644

Special Features:

Black oxide finish

Material:

Stainless steel

Style Designator:

Spacer

Supplementary Features:

Hole inside diameter of 0.201 in. Min

Fsc Application Data:

Night vision equip. Emitted and reflected radiation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A07000
