Electron Microscope System - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6650-01-044-7746

General Description:

Consists of energy dispersive system, wavelength x-ray spectrometer system, data acquisition system, digital magnification system, 45

degrees focal stage, video signal enhancer

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Yes - demil/mli
