Lamp Base Type Accommodated:

Miniature two pin

Wiring Provision Method:

Individual wire

Light Adjustment Method:

Bracket

Voltage Rating In Volts:

110.0 ac

Features Provided:

Dimming device and heat dissipating and transformer

Lamp Type Accommodated And Quantity:

1 incandescent

Product Name:

Microscope adjustable 115v 60hz ac

Exterior Container Weight:

30.00 pounds

Exterior Container Cubic Measure:

1.30 cubic feet

Exterior Container Quantity:

10

Special Features:

6 v 20 w tungsten halogen lamp; three lens condensing system; three link jack-knife support; filter holder; ground glass and blue filter; variable voltage transformer

Material:

Any acceptable body

Unit Of Issue Cube:

0.131 cubic feet

Supplementary Features:

60 hz; for replacement lamp, order 6240-01-120-3533; suitable for low-power inspection and dissection of entomological specimens

Unit Of Issue Weight:

3.00 pounds

Furnished Items And Quantity:

2 lamp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
