Supporting Object/surface Attachment Method:

Four 0.156 by 0.250 mounting holes on 2.160 in. By 2.100 in. Mounting centers

Material:

Steel, corrosion resisting

Material:

Stainless steel

Surface Treatment:

Passivate or oxide

Surface Treatment:

Passivated or black oxide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T08100
