Fiber Optics Radiometer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6650-01-159-0222

End Application:

Fac 601 d3105-1573

General Description:

Designed for optical power measurements of light and cw lasers over thewavelength range 400nm to 1150nm

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No
