End Application:

Borescope kit

Accessory Components And Quantity:

Spacer, 3; spacer stop, 1; gasket, 1

Eccentric Construction:

Not provided

Optical Element Quantity:

3

Optical Element Type:

Single lens

Material:

Glass, optical and steel, corrosion resisting, astm a269, type 304

Material:

Glass optical and steel, corrosion resisting, astm a269, type 304

Fsc Application Data:

Objective section, borescope

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
