Diffraction Grating Spectrometer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6650-01-215-2762

Special Features:

Shelf Life:

Fiig: T271-d

Digilab model fts 80 system; high performance fourier transform infrared spectrometer; compact data system, operator terminal, optical console, digilab 3280 data system, motorola 68000 microprocessor, data and program storage, 40 mbyte winchester disk and 1 mbyte floppy disk, 14 function keys, 16 other dedicated keys, digital printer-plotter and full ir applications software complement, including a "c" language compiler plus all manuals

N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
