**Criticality Code Justification:**

Zzzy

**Special Features:**

0186" o.D. X 24" length, right angle, field of view 45 degrees plus or minus

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T271-a
