Overall Length:

2.650 inches

Overall Width:

1.374 inches

End Application:

F/a-18 acft

Attachment To Item Supported Method:

Holds item by means of strap held in place by two nas1352c04-4 screws

Special Features:

Holder includes optical element

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment:

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T08100
