Major Components:

Alum aly bar rod shape tube & wire 2; threaded rod 1; bearing housing 1; roller bearing self-aligning 1; screw insert threaded coarse 1

End Application:

F15i lantrin electro-optical test stand

Component Quantity:

6

Special Features:

Manufactures name drive assembly, azimuth-bearing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T01200
