End Application:

Table assembly, lfts, p/n 717763919-009; f15i aircraft support

Special Features:

Atravel range 150mm; steel construction with preloaded ball bearing slides and a backlash-compensated leadscrew for superior performance over mediumtravel ranges; motorized stages are equipped with mechanical limit switches to prevent damage to the bearings fromaccidental overtravel; a center home position allows the stage to be returnedto a reference position in middle of stage's travel (except ha versions) viaan external switch on the stage body

Functional Description:

Gives motorized stages for linearalignment, provides a rs-170 video output representing received far infrared (ir) optical energy of the laser beam for infrared (ir) camera focal plan assembly (a4a1a2) for the forward looking infrared (flir) autocollimation

Reference Data And Literature:

Csto is33d7-80-21-4

Supplementary Features:

Manufacturers name is stage, linear motion, optical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fiig:

T01200
