Major Components:

Knob securing assembly 1, cam retainer 1, cam 1, rubber bumper 2, front assembly fixture 1, fixture assembly 1, middle assembly fixture 1

End Application:

6625-01-453-7394; test set electronic sys; direct support (dsests)

Component Quantity:

18

Special Features:

Per drawing, item name gpeoh support assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T01200
