End Application:

An/aar-44sim; infrared warning receiver

Eccentric Construction:

Provided

Optical Element Quantity:

1

Optical Element Type:

Single lens

Optical Element Controlling Agency:

Ce

Optical Element Identifying Number:

S+660030 drawing no.

Material:

Aluminum alloy, 6061

Material:

Aluminum alloy 6061

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
