**End Application:**

Centaurus microscope

**Design Type:**

Research model

**Stage Shape:**

Rectangular

**Stage Type:**

Mechanical

**Product Name:**

Manual travel stage, 2 by 3 inch

**Special Features:**

Provides 2.000 by 3.000 inches of travel along the x and y planes; manual positioning and repositioning of samples; stage movement by user defined increments

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T271-c
