End Application:

Centaurus microscope

Design Type:

Research model

Stage Shape:

Rectangular

Stage Type:

Mechanical

Product Name:

Manual travel stage, 2 by 3 inch

Special Features:

Provides 2.000 by 3.000 inches of travel along the x and y planes; manual positioning and repositioning of samples; stage movement by user defined increments

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T271-c
