Overall Length:

2.7800 inches

Overall Height:

0.4200 inches

Overall Width:

2.2010 inches

End Application:

Indicator, horizontal

Product Name:

(inavy) mask, prism

Special Features:

Having two mounting holes with 0.110 inch diameters centrally located 1.500 inches apart and 0.315 inches from top of height measurement. All surfaces and edges are painted black

Material:

Brass

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T271-m
