Overall Length:

6.000 inches

End Application:

Optical test set, pn 195a831-1

Criticality Code Justification:

Feat

Product Name:

Direct display alignment tool

Special Features:

Meet critical tolerance for hold and aligning the lru for testing, 6.0 length, 7.0 width, 8.355 height to top handle, weight 7.2 lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T294-m
