Overall Length:

16.000 inches

End Application:

Optical power test set 6650015503609

Criticality Code Justification:

Feat

Product Name:

Direct display spac

Special Features:

Meets critical machine tolerances to support lru for testing, height 10.390, width 12.000 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T294-m
