Lens Color:

Colorless

Voltage Rating In Volts:

4.5 dc

Mounting Method:

Portable

Lamp Type Accommodated And Quantity:

1 light emitting diode

Product Name:

Fiberviewer microscope

Special Features:

Fiber viewer-400x magnification with 2.5mm universal adapter; 35 hours typical use with alkaline batteries. White led (100, 000 hour life)

Material:

Plastic body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
