Product Name:

Single-prism precision reflector

Special Features:

Copper coated; prism constant: 0mm; centering accuracy: 0.3mm; single tilt assembly; black, metal holder; range: 11, 500 ft (3500 m)

Material:

Glass optical

Quantity:

1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T271-m
