Mounting Configuration:

2 mtg hole 0.053 in. Dia

Temperature Compensator:

Not included

Adjustable Range Setting:

Not provided

Minimum Operating Pressure:

0.000 millibars

Maximum Operating Pressure:

300.000 millibars

Remote Range Setting:

Not provided

Commutator Type:

Laminated stack

Contact Segment Quantity:

2

Contact Arm Calibration Mechanism:

Not provided

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-h
