Solar Telescope Set - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6660-01-056-0923

General Description:

Apermits optical observation, recording and analysis of solar radiation; consists of electro-optical and closed circuit television equipment

housed in 50 ft lg, 26 ft w, 14 ft h operations building

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Yes - demil/mli
