Wind Measuring Set - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6660-01-423-0263

End Application:

Spacelift range wesyern telemetryinstrumentation

Special Features:

Monitors wind movement by obtaining doppler shift data from three transceiving antennas pointed along orthogonal axis

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

Т206-е
