

View Online at <https://aerobasegroup.com/nsn/6660-01-491-0319>

Special Features:

Pressure range 620 to 1100 hpa, 9 to 16 psia; resolution better than 0.001 hpa; temperature range m50 to p60 degrees c; accuracy better than plus or minus 0.1 deg. C; humidity range 0 to 100 pct; max. Pressure 1240 hpa, 18 psia; input voltage 9 to 16 vdc; aspiration flow rate 4.5 meters/second; rs-232 directional interface; single sample; individual commands for pressure, temperature, humidity and nema 0183 unified output word

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
