End Application:

Anfsn5

Product Name:

Barometric pressure transmitter

Environmental Attribute Code:

Barometers & hygrometers - consumer products - non-mercury alternative

Special Features:

Operating temp range -40...+60deg c(-40...+140deg f; supply voltage 10...30 vdc reverse polarity protected; pressure fitting barbed fitting for 1/8inc i.D. Tubing quick connector with shutoff valve for 1/8in hose, model no. Ptb220; lcd display with backlight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-a
