Inclosure Material:

Plastic

Overall Length:

3.937 inches

Overall Height:

2.519 inches

Overall Width:

0.472 inches

End Application:

Control pnl,

Basic Shape Style:

Rectangular or square

Features Provided:

Rohs directive compliance

Product Name:

4-channel digital output module; 24vdc; 0.5 a; high-side switching; short circuit protected

Color:

Gray

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
