End Application:

Automated weather observation system c (awos-c)

Product Name:

Pressure sensor

Special Features:

Class a accuracy, 10-35vdc, signal output rs-232 only, no analog. Press range 500-1100hpa, module slot 3 500-1100pha. Module slot 4 500-1100pha. D9 connector for aws housing (not ip65). Press fitting barbed 1/18" three barometer modules. Optional connection plugged.

Installation ptb330 aws. Iso 9001 compliant factory calibration

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-a
