Overall Length:

1.968 inches

Overall Height:

0.787 inches

Overall Width:

1.574 inches

Usage Design:

Measures surface barometric pressure

Product Name:

Barometer, digital display

Environmental Attribute Code:

Barometers & hygrometers - consumer products - non-mercury alternative

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-a
