Current Type:

Dc

Accessory Component Quantity:

1

Furnished Items:

Mine detector, truck mounted

Accessory Controlling Agency:

Usamec

Accessory Identifying Number:

Usamec dwg 13200e0150

Usage Design:

Used to locate metallic land mines

Indicator Type:

Visual and aural

Voltage In Volts:

24.0

Special Features:

Truck mtd, vehicle automatic stop, phase selective bridge circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T132-b
