Detecting Element Detachability:

Detachable

Special Features:

Oxygen/flammable, carbon dioxide/hydrogen sulfide detection; alarms; instantaneous, time weighted average and short term exposure limit; includes: nicad batteries, carrying case, calibration tool, allen keys (2), aspirator, earphone, harness, belt-clip, user card and manual.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T132-a
